

Youth Programs & Nursery-Preschool

Youth classes and activities will be provided at specified times. A separate schedule is available at the registration table.

A nursery-preschool will be available during all regular scheduled services, except during the Saturday afternoon ladies meeting at 3:30 pm.

It is important that you know where your children are supposed to be during all scheduled services. They should be supervised at all times here on the hotel premises.

We ask all parents to please keep sick children away from nursery and youth classes.

Music

Music is an important part of our conference program. We are planning special music as well as congregational hymns.

All special music and pre-recorded music used during services must be cleared by the music director prior to use. If you would like to share your special music in the conference program please see Pastor Fred Bekemeyer or Karl Trimboli for details about participation.
